WORK EXPERIENCE

Freelance Webdesigner

Feb 2024 - Present

Designed and developed responsive websites with a focus on user experience and modern aesthetics. Created wireframes, prototypes, and graphics using Figma. Worked with HTML, CSS, JavaScript, and CMS platforms like WordPress. Also TypeScript and React. Collaborated with clients to deliver visually engaging solution.

Software Team Leader

ABB s.r.o.

Aug 2024 - Present

Currently leading a team of 8 software developers working on resource-based projects. While most tasks are administrative, the highlight of my role is helping the individuals achieve their goals and planning their professional development.

Software Test Engineer

ABB s.r.o.

Apr 2023 - Present

Working as a member of the ABB Simulator team. My responsibilities include a range of typical tasks of a Software Tester, all aimed at ensuring the software's high quality and customer satisfaction.

QA Engineer

Vendavo CZ a.s.

Jun 2016 - Jan 2023

Conducted comprehensive software testing for Vendavo CPQ Product, identifying and reporting defects. Collaborated closely with cross-functional teams to ensure product usability and requirement fulfillment. Occasionally hands on configuration and customization of customers's implementation. SQL based activities.
